

Cardio Plus

In addition to diet and exercise, let AmeriSciences Cardio Plus be part of your regimen to maintain normal cardiovascular health.*

Maintain a healthy heart*

Benefits

- Maintain healthy cholesterol levels already in the normal range*
- Maintain healthy homocysteine levels already in the normal range*
- Antioxidant protection to fight free radicals*

Product Features

A comprehensive nutraceutical product that supports the many aspects of normal cardiovascular function.*

Key Ingredients

- **Policosanol & Plant Sterols** have been studied for their ability to help maintain normal blood lipid levels that are within the normal range.*
- **Coenzyme Q-10** is an antioxidant that facilitates the energy needed for cellular functions.* The heart has the highest concentration of Coenzyme Q-10 found in the body.
- **Hawthorn Extract** can help support normal exercise tolerance.*
- **Folic Acid, Vitamin B6 and Vitamin B12** is a complex of vitamins with solid evidence of cardiovascular system support.*

Contraindications & Precautions

Keep out of the reach of children. Do not use if you are pregnant or nursing. Individuals taking prescription medication and those with a medical condition should consult their physician.

Directions For Use

Adults take two (2) tablets with meals one to three times a day, or as recommended by a physician.
